Islip, NY – Islip Town Councilman Gene Parrington (second from left) joined American Legion Post # 1738 in West Islip to honor Douglas Chapey for his dedication to community service and outstanding citizenship.

Born and raised in West Islip, Doug and his brother, Ken, became partners at their father's Frederick J. Chapey & Sons Funeral Homes. Doug's record of community service is extraordinary and includes volunteer efforts all over Islip Town and beyond.
